

HAGIOLATRY

Meaning: Hagiolatry is the excessive reverence or worship of saints, often resulting in the elevation of their status above fundamental religious teachings.

1. Hagiolatry often leads individuals to elevate saints to a status that can overshadow the core teachings of their faith.
2. The scholar argued that hagiolatry can distort historical truths by idealizing figures beyond their human flaws.
3. In some cultures, hagiolatry manifests in the veneration of relics, turning ordinary objects into sacred symbols.
4. Critics of hagiolatry believe that it diverts attention from spiritual growth to the worship of personalities.
5. Hagiolatry can complicate the relationship between believers and the divine, creating unnecessary barriers to genuine faith.
