

# HAIRTAIL

*Meaning: Hairtail refers to the long, flowing part of hair, particularly when styled or groomed, as well as the tail of an animal, especially a horse, that is often characterized by its length and sheen.*

1. The hightail of the horse shimmered under the bright sun.
2. She carefully brushed her hairtail, ensuring it was smooth and free of tangles.
3. The artist captured the grace of the flowing hairtail in his painting.
4. During the competition, she styled her hairtail to perfectly match her outfit.
5. The wind caught her long hairtail, creating a beautiful display as she ran.
