

HALF-DECK

Meaning: Half-deck: a partial deck on a ship, typically situated above the main deck, used for various activities and providing space for crew members.

1. The sailors gathered on the half-deck to discuss their plans for the voyage.
2. Sunlight filtered through the gaps in the half-deck, casting playful shadows on the floor.
3. During the storm, the crew took shelter on the half-deck until the winds calmed down.
4. The captain often stood on the half-deck, surveying the horizon for any signs of land.
5. Children played games on the half-deck, their laughter echoing across the ship.
