

# HALF-SISTER

*Meaning: A half-sister is a sibling who shares one biological parent with another sibling but not both.*

1. My half-sister and I often share stories about our childhoods.
2. Despite having different mothers, my half-sister feels like a true sibling to me.
3. At the family reunion, I finally met my half-sister for the first time.
4. Growing up, my half-sister and I had a complicated relationship, but we've become close over the years.
5. It's interesting how our personalities complement each other, even though we are half-sisters.
