

HARIKARI

Meaning: Harikari is a traditional Japanese ritual suicide by disembowelment, historically practiced by samurai to preserve honor in the face of defeat or disgrace.

1. Harikari is a traditional practice that reflects the samurai's code of honor.
2. In moments of despair, some individuals have turned to harikari as a final act of resolve.
3. The story of the samurai who chose harikari over capture is a powerful testament to loyalty.
4. Cultural interpretations of harikari vary widely, often sparking debate among historians.
5. In literature, harikari is frequently depicted as a courageous, albeit tragic, choice.
