HATCH-BOAT

Meaning: A hatch-boat is a small, lightweight boat designed for easy navigation and often used for leisurely activities on calm waters.

1. The hatch-boat glided silently across the calm waters at dawn.
2. After years of planning, they finally built their own hatch-boat for summer adventures.
3. The hatch-boat's design allowed for easy access to the storage compartments below deck.
4. As the storm approached, they hurried to secure the hatch-boat at the dock.
5. Children laughed and splashed as they played in the hatch-boat anchored by the shore.
