

# HEDGELESS

*Meaning: HEDGELESS (adjective): lacking hedges or boundary shrubs, resulting in an open and unprotected appearance.*

1. The garden looked strange and unkempt, as it was entirely hedgeless.
2. After the storm, the hedgeless landscape revealed the true extent of the damage.
3. In a hedgeless neighborhood, the lack of privacy made it difficult to enjoy the outdoors.
4. The hedgeless property felt more open, but it also lacked the charm of a traditional home.
5. Walking through the hedgeless park, I felt exposed to the elements with no shelter in sight.
