

HENCHBOY

Meaning: Henchboy: a subordinate or assistant, often serving a villain, who carries out tasks and follows orders.

1. The villain's henchboy was always lurking in the shadows, ready to do his bidding.
2. After months of training, he finally transformed from an awkward teen into a formidable henchboy.
3. The henchboy's loyalty to his boss was unquestionable, despite the morally gray tasks he was assigned.
4. In the comic book, the henchboy often provided comic relief with his clumsy antics during serious missions.
5. Each time the hero confronted the henchboy, he found himself torn between pity and frustration at the young man's choices.
