

HERIOT

Meaning: Heriot: a traditional feudal payment, often in the form of goods or livestock, owed by a tenant to a landlord upon the tenant's death or the transfer of land.

1. The heriot, a traditional feudal payment, often caused disputes among landlords and tenants.
2. In medieval Scotland, a heriot was typically due upon the death of a tenant, adding to the complexities of land ownership.
3. The villagers gathered to discuss the implications of the heriot imposed by the local lord on their estate.
4. Many families struggled to pay the heriot, which sometimes included livestock or valuable goods.
5. Understanding the history of heriots can shed light on the social dynamics of feudal societies.
