

HERMIT

Meaning: A hermit is a person who chooses to live in seclusion, often for religious or spiritual reasons, away from society.

1. The hermit lived alone in a small cabin deep within the forest.
2. After years of solitude, the hermit had become an expert in the ways of nature.
3. Many people visited the hermit seeking wisdom and guidance on their troubled lives.
4. In the evenings, the hermit would sit by the fire, reflecting on his past and the choices he made.
5. The legend of the hermit inspired many to seek peace and solitude away from the chaos of the world.
