

HIEROPHANT

Meaning: Hierophant: a person, often a priest or teacher, who interprets sacred mysteries and imparts spiritual knowledge or wisdom, particularly in a religious or ceremonial context.

1. The hierophant stood at the altar, imparting ancient wisdom to the gathered followers.
2. In the tarot deck, the hierophant symbolizes tradition, spiritual authority, and guidance.
3. Her role as a hierophant in the community allowed her to bridge the gap between ancient rituals and modern beliefs.
4. During the ceremony, the hierophant revealed secrets that had been guarded for centuries.
5. Many looked to the hierophant as a source of comfort and insight during times of uncertainty.
