

HIGHROAD

Meaning: Highroad (noun): a morally superior or principled approach to a situation, particularly in negotiations or interpersonal relationships.

1. Taking the highroad in negotiations often leads to more sustainable agreements.
2. She chose to take the highroad and forgive her friend's mistakes rather than hold a grudge.
3. The politician vowed to take the highroad during the campaign, focusing on issues rather than personal attacks.
4. Even when faced with criticism, he consistently opted for the highroad, promoting kindness and understanding.
5. In a world full of shortcuts, embracing the highroad can sometimes feel like the harder path to follow.
