

# HOARDER

*Meaning: A hoarder is a person who excessively collects and keeps items, often to the point of clutter and disorganization, regardless of their actual value.*

1. The hoarder struggled to let go of items that others would consider junk.
2. In her tiny apartment, the hoarder had stacks of newspapers reaching the ceiling.
3. Friends expressed concern that their neighbor was becoming a serious hoarder.
4. After watching a documentary about hoarders, he realized he might have a similar problem.
5. The professional organizer was determined to help the hoarder reclaim their living space.
