

HOARDING

Meaning: Hoarding refers to a large, often temporary structure or barrier used to enclose an area, typically for construction or advertising purposes, or a collection of items that are stored or accumulated, often excessively.

1. The old barn was filled with a hoarding of forgotten artifacts and dusty memorabilia.
2. In the bustling city, the hoarding around the construction site advertised the upcoming luxury apartments.
3. His hoarding of rare coins became a point of pride, showcasing his dedication to numismatics.
4. The artist cleverly incorporated hoarding into her installation, transforming it into a commentary on consumerism.
5. After years of hoarding newspapers and magazines, she finally decided to declutter her home.
