

HOBO

Meaning: Hobo: a homeless person who travels, often by freight train, in search of work or a better life, typically associated with a nomadic lifestyle.

1. The old hobo sat by the train tracks, sharing stories of his travels with anyone who stopped to listen.
2. Many people dismissed him as just another hobo, but his wisdom and life experiences were far richer than they realized.
3. With a tattered backpack and a worn-out guitar, the hobo serenaded passersby in the bustling city square.
4. In the heart of the city, a hobo found solace in the small park, where he watched the world go by.
5. Despite his rough appearance, the hobo had a kind heart and often helped others in need.
