

HOLING

Meaning: Holing refers to the act of getting a golf ball into the hole on a course or, in a different context, to retreating or settling into a cozy or secluded place.

1. He spent the afternoon holing out on the golf course, trying to improve his short game.
2. The children were excited about holing up in the treehouse for the weekend.
3. The artist was known for holing intricate designs into the metal sheets.
4. During the storm, they decided to start holing up in the basement to stay safe.
5. The contractor focused on holing the ground to lay a strong foundation for the new building.
