HOMESTEAD

Meaning: Homestead: a tract of land, often with a house, where a family lives and cultivates crops or raises animals, typically associated with self-sufficiency and rural living.

1. The family decided to homestead in the remote valley, seeking a simpler life.
2. After years of hard work, they finally transformed their homestead into a thriving farm.
3. With a cozy cabin and sprawling gardens, their homestead became a beloved retreat for friends.
4. As part of their homesteading journey, they learned to grow their own food and raise livestock.
5. The couple cherished the memories of their first winter spent together in the homestead they built.
