

# HONK

*Meaning: Honk (verb): to make a loud, harsh sound, typically as a signal or expression of annoyance, often associated with car horns or the calls of geese.*

1. The car behind us started to honk impatiently as the light turned green.
2. She couldn't help but laugh when the goose began to honk loudly at the passing joggers.
3. As I walked down the street, a distant honk signaled the arrival of my friend.
4. During the parade, the decorated floats would honk their horns to the delight of the crowd.
5. He gave a quick honk to let me know he was waiting outside the house.
