

HOVELING

Meaning: HOVELING: a dilapidated and run-down dwelling or structure, often characterized by neglect and decay.

1. The abandoned building was a mere hovel, forgotten and crumbling under the weight of time.
2. After years of neglect, the once vibrant community center had turned into a hovel, barely recognizable.
3. They decided to renovate the hovel into a cozy cafe that would bring new life to the neighborhood.
4. Despite its appearance as a hovel, the small home held cherished memories for the family that lived there.
5. The artist found inspiration in the hovel, capturing its raw beauty through his paintings.
