HUMANISTIC

Meaning: Humanistic refers to an approach or philosophy that emphasizes the value and agency of human beings, focusing on personal development, dignity, and potential.

1. The humanistic approach in education emphasizes the development of the whole person rather than just academic skills.

2. Many philosophers advocate for humanistic principles that prioritize individual dignity and potential.

3. In therapy, a humanistic perspective fosters a supportive environment that encourages self-exploration and growth.

4. The artist's work reflects a deeply humanistic vision, celebrating the beauty and complexity of the human experience.

5. Humanistic psychology emerged as a response to the limitations of behaviorism and psychoanalysis, focusing instead on personal agency.
