

HUMPLESS

Meaning: Humpless: lacking a hump or bulge; smooth and even in shape or form.

1. The humpless camel stood gracefully in the desert, a rare sight among its more common counterparts.
2. Her dress flowed elegantly, humpless and smooth, accentuating her figure without any unnecessary embellishments.
3. In the plush meadow, the humpless sheep grazed peacefully, contrasting sharply with the rugged hills in the background.
4. The artist captured the humpless landscape in brilliant colors, highlighting the serene beauty of nature.
5. During the festival, the humpless float glided through the streets, showcasing the creativity of the local community.
