

HURLING

Meaning: Hurling is a traditional Irish team sport played with a wooden stick called a hurley, in which players aim to hit a ball (sliotar) into the opposing team's goal.

1. Hurling is a fast-paced game that requires both skill and agility.
2. The players demonstrated incredible strength while hurling the ball across the field.
3. She was hurling insults during the argument, making it difficult to reach a resolution.
4. The child was hurling the frisbee with all his might, aiming for the distant trees.
5. After the storm, debris was hurling through the air, creating a chaotic scene.
