

HUSSITE

Meaning: HUSSITE: A member of a 15th-century Protestant movement in Bohemia that sought religious reform and opposed the Catholic Church's practices, often associated with the teachings of John Wycliffe and Jan Hus.

1. The Hussite movement played a crucial role in the early Reformation in Europe.
2. Many Hussite followers faced persecution for their beliefs and practices.
3. Jan Hus, a key figure in the Hussite movement, advocated for church reform and greater access to the Bible.
4. The battles fought during the Hussite Wars were some of the most significant conflicts of the 15th century.
5. Today, the legacy of the Hussites can still be seen in various Protestant denominations throughout the world.
