

IMBARGO

Meaning: Embargo: a government order that restricts or prohibits trade or commerce with a specific country or the exchange of specific goods.

1. The government decided to impose an embargo on certain imports to protect domestic industries.
2. After the scandal, an embargo was placed on all trade with the offending country.
3. Many nations supported the embargo as a means of pressuring the regime to change its policies.
4. The embargo led to significant economic challenges for the affected region, sparking debates about its effectiveness.
5. Despite the embargo, smuggling routes continued to operate, undermining the intended restrictions.
