

IMITATION

Meaning: Imitation is the act of copying or replicating the style, behavior, or work of someone or something else.

1. Imitation can sometimes be a form of flattery, but it can also lead to a lack of originality.
2. The artist's work is a brilliant imitation of the classic styles of the Renaissance.
3. In the realm of fashion, imitation is often seen as a way to bring iconic designs to a wider audience.
4. Children often learn by imitation, mimicking the behaviors of adults around them.
5. The scientist's findings were criticized for relying too heavily on the imitation of previous studies without new insights.
