

IMPALLA

Meaning: Impala: a medium-sized African antelope known for its agility and graceful leaps, often found in herds.

1. The impala gracefully bounded across the savannah, showcasing its incredible agility.
2. During our safari, we were thrilled to spot a herd of impalas grazing near a waterhole.
3. The impala's distinctive black markings on its face make it easily recognizable among other antelopes.
4. In the wild, impalas are known for their impressive leaps, which can reach up to ten feet high.
5. Conservation efforts in Africa focus on protecting the habitats of species like the impala to maintain biodiversity.
