

IMPASSIBILITY

Meaning: Impassibility refers to the quality of being unaffected by emotional changes or passions, often attributed to divine beings.

1. The concept of impassibility suggests that certain beings are not subject to emotional changes.
2. In theological discussions, God's impassibility is often debated among scholars.
3. Philosophers argue that impassibility can lead to a misunderstanding of human emotions.
4. The impassibility of the statue made it seem more like an eternal observer of the world.
5. Many see impassibility as a desirable trait in leaders, believing it fosters rational decision-making.
