

# IMPEACHMENT

*Meaning: Impeachment is the formal process by which a public official, such as a president, is charged with misconduct or wrongdoing, potentially leading to removal from office.*

1. The impeachment of the president sparked widespread protests across the country.
2. Many lawmakers debated the implications of impeachment on national unity.
3. The historical significance of impeachment cannot be understated in a democracy.
4. She followed the impeachment proceedings closely, eager to understand the legal arguments.
5. Impeachment is often seen as a political tool rather than a purely legal process.
