

# IMPRESCRIPTIBILITY

*Meaning: Imprescriptibility refers to the inability of certain rights or legal claims to be nullified or extinguished by the passage of time.*

1. The principle of imprescriptibility ensures that certain rights cannot be extinguished by the passage of time.
2. In many legal systems, the imprescriptibility of war crimes reflects a commitment to justice and accountability.
3. The imprescriptibility of parental rights highlights the enduring responsibility one has towards their children.
4. Activists argue for the imprescriptibility of environmental protections, asserting that the planet's health transcends temporary laws.
5. Imprescriptibility serves as a reminder that some injustices must be addressed, regardless of when they occurred.
