

IMPRESSMENT

Meaning: Impressment is the act of forcibly recruiting individuals, particularly sailors, into military or naval service without their consent.

1. The practice of impressment was a significant source of tension between the United States and Britain in the early 19th century.
2. Many sailors feared impressment, as it often meant being forced into service on foreign ships against their will.
3. Impressment was not only a violation of personal freedom but also a controversial military tactic used during wartime.
4. Historical accounts detail how impressment impacted naval recruitment and the morale of American sailors.
5. The abolition of impressment marked a crucial turning point in international maritime law and human rights.
