

INADMISSIBILITY

Meaning: Inadmissibility refers to the condition of being not acceptable or valid, particularly in a legal context where certain evidence or claims cannot be considered in court.

1. The court ruled on the inadmissibility of the evidence due to improper collection methods.
2. Her claim was dismissed based on the inadmissibility of hearsay in the legal proceedings.
3. Despite his efforts to present new facts, the judge maintained the inadmissibility of the testimony.
4. The lawyer argued against the inadmissibility of the documents, citing precedent in similar cases.
5. Inadmissibility can often lead to significant delays in the judicial process, impacting the outcome of the trial.
