

INCARCERATING

Meaning: Incarcerating refers to the act of confining or imprisoning individuals, typically as a legal penalty for criminal behavior.

1. The government is focused on incarcerating those who pose a serious threat to society.
2. Incarcerating individuals for minor offenses often leads to a cycle of recidivism.
3. Many advocates argue that instead of incarcerating, we should invest in rehabilitation programs.
4. The debate around incarcerating juveniles for non-violent crimes is becoming increasingly controversial.
5. Incarcerating large numbers of people can strain the resources of the criminal justice system.
