

INCELEBRITY

Meaning: Incelebrity refers to the state of being unknown or lacking fame, often resulting in social isolation.

1. Incelebrity often leads to a unique type of social isolation that many overlook.
2. The novel explores the theme of incelebrity through its portrayal of an introverted artist.
3. Living in incelebrity can sometimes be a choice, rather than a consequence of fame.
4. She found solace in her incelebrity, away from the demands of public life.
5. Incelebrity can create a longing for connection that those in the spotlight may never understand.
