

# INCENSORY

*Meaning: Incensory: a vessel or container used for burning incense, typically suspended and swung to disperse fragrant smoke.*

1. The incensory hung in the center of the room, releasing fragrant smoke that filled the air.
2. During the ritual, the priest swung the incensory gently, allowing the incense to waft towards the gathered congregation.
3. The intricate design of the incensory reflected the craftsmanship of the artisans who created it.
4. As the incensory was lit, the soothing aroma enveloped the space, creating a serene atmosphere.
5. In many cultures, the use of an incensory is an integral part of spiritual practices and ceremonies.
