

# INCOEXISTENCE

*Meaning: Incoexistence refers to the state of existing together in a way that is marked by tension, conflict, or lack of harmony, particularly among differing cultural or belief systems.*

1. The concept of incoexistence highlights the tensions that arise in multicultural societies.
2. Incoexistence between different belief systems can lead to conflict and misunderstanding.
3. The artist's latest installation explores the theme of incoexistence through contrasting imagery.
4. Incoexistence is often a challenge in negotiations, where opposing viewpoints clash.
5. Understanding incoexistence requires a willingness to engage with perspectives that differ from our own.
