

INCOMBER

Meaning: Incomber: a person or thing that encroaches or intrudes, often used to describe waves or clouds that loom or surge in a dramatic manner.

1. The incomber of the waves crashed against the rocky shore, creating a mesmerizing spectacle.
2. As the storm approached, the incomber of dark clouds filled the sky, signaling an impending downpour.
3. The incomber of unfamiliar faces at the gala made her feel slightly anxious yet excited.
4. His role as the incomber of the project meant he was responsible for coordinating all team efforts.
5. The incomber of new ideas during the brainstorming session invigorated the entire team.
