

# INDEFECTIBILITY

*Meaning: Indefectibility refers to the quality of being incapable of failing or being flawed, particularly in the context of maintaining truth or integrity in matters of faith or moral principles.*

1. The concept of indefectibility is central to the Catholic understanding of the Church's divine protection against error in matters of faith.
2. Philosophers often debate the indefectibility of certain moral truths, asserting that they remain constant regardless of societal changes.
3. In discussions about religious institutions, the term indefectibility is used to emphasize the belief that the Church will never fail in its mission.
4. The indefectibility of love is a theme explored in many literary works, where true affection endures despite challenges.
5. Advocates for the indefectibility of democratic ideals argue that these principles are essential for a just society to thrive.
