

# INDICTER

*Meaning: Indictor: a person or entity that formally accuses someone of a crime, often influencing legal proceedings and jury perceptions.*

1. The role of the indictor is crucial in determining the outcome of a trial.
2. An experienced indictor can significantly influence the perception of a case by the jury.
3. During the proceedings, the indictor carefully presented evidence to support the charges.
4. The indictor faced criticism for the way the case was handled, raising questions about ethics.
5. In high-profile cases, the indictor often becomes a focal point in media coverage.
