

INDITEMENT

Meaning: Indictment: a formal charge or accusation of a serious crime, typically issued by a grand jury.

1. The grand jury issued an indictment against the corporate executive for fraud.
2. Her lawyers argued that the indictment was based on insufficient evidence.
3. The indictment detailed multiple charges that could lead to significant prison time.
4. Following the indictment, the defendant maintained their innocence in a public statement.
5. Legal experts discussed the implications of the indictment on the upcoming trial.
