

INFER

Meaning: To infer means to deduce or conclude information from evidence and reasoning rather than from explicit statements.

1. I can infer from her expression that she was not pleased with the decision.
2. The detective was able to infer the suspect's motives based on the evidence presented.
3. From the context of his remarks, it is easy to infer that he was feeling overwhelmed.
4. Researchers can infer important trends in climate change from the data collected over the years.
5. When she mentioned her favorite book, I could infer that she enjoys stories with complex characters.
