

INLANDER

Meaning: Inlander: a person who lives in the interior regions of a country, away from coastal areas.

1. The inlander preferred the serene landscapes of the countryside over the hustle of coastal cities.
2. As an inlander, she cherished the quiet charm of her small town, far away from the ocean's waves.
3. Many inlanders enjoy outdoor activities like hiking and camping, which are abundant in their region.
4. The inlander community organized a festival celebrating local agriculture and traditional crafts.
5. Living as an inlander allows for a unique perspective on the beauty of the natural world beyond the coast.
