

INNOCENCE

Meaning: Innocence refers to the state of being free from guilt, sin, or moral wrongdoing, often characterized by purity, simplicity, and a lack of worldly experience.

1. The child's laughter was a beautiful reminder of the innocence that often fades with age.
2. In her eyes, he could see the innocence that made him feel both protective and cherished.
3. The novel explores the theme of lost innocence through the experiences of its young protagonist.
4. As she listened to the stories of the past, she realized that innocence is a fleeting treasure.
5. With every harsh reality she faced, it became harder to hold onto her childhood innocence.
