

INSUSURATION

Meaning: Insusuration refers to a soft, whispering or murmuring sound, often associated with gentle natural noises like rustling leaves or distant birdsong.

1. The insusuration of the leaves in the gentle breeze created a soothing background melody.
2. As I walked through the quiet forest, the insusuration of distant birdsong filled the air with tranquility.
3. His voice was barely above a whisper, an insusuration that barely reached my ears in the bustling café.
4. During the meditation session, the insusuration of the waterfall in the distance enhanced our sense of peace.
5. The insusuration of the waves lapping against the shore made the evening feel magical and serene.
