

INTERCESSOR

Meaning: An intercessor is a person who acts as a mediator or advocate, particularly in prayer, communicating on behalf of others to a higher power or deity.

1. An intercessor often plays a vital role in prayer, bridging the gap between the divine and those in need.
2. In ancient cultures, the intercessor was seen as a mediator who could communicate with the gods on behalf of the people.
3. Many believe that having an intercessor can bring comfort and hope during challenging times.
4. The intercessor's role is not only to plead for others but also to offer guidance and wisdom.
5. In some religious traditions, saints are regarded as intercessors who advocate for the faithful before God.
