

INTERSECTIONAL

Meaning: Intersectional refers to the interconnected nature of social categorizations such as race, class, and gender, which create overlapping systems of discrimination or disadvantage.

1. The concept of intersectional feminism highlights the diverse experiences of women based on their race, class, and sexual orientation.
2. In her research, she examined the intersectional impacts of climate change on marginalized communities.
3. The intersectional approach allows for a more nuanced understanding of social justice issues.
4. Activists advocate for intersectional policies that address the unique needs of various groups simultaneously.
5. Understanding intersectional identities is crucial for effective advocacy and community support.
