

INTROIT

Meaning: Introit: a musical piece or chant sung at the beginning of a religious service, particularly in the context of Christian liturgy.

1. The choir began the service with a beautiful introit that set a serene atmosphere.
2. In many traditional liturgies, the introit serves as an important musical introduction to the Mass.
3. The introit was sung in Latin, echoing the ancient traditions of the church.
4. As the congregation gathered, the gentle introit filled the sanctuary with a sense of peace.
5. He was moved by the introit, feeling a deep connection to the spiritual heritage it represented.
