

INTROVERT

Meaning: INTROVERT: A person who is more focused on their inner thoughts and feelings than on external stimuli, often preferring solitude or small, intimate gatherings over large social events.

1. Many people misunderstand introverts, thinking they are shy when they simply prefer solitude.
2. As an introvert, she often found solace in quiet evenings at home with a good book.
3. Networking events can be particularly challenging for an introvert who thrives in smaller, intimate gatherings.
4. He embraced his introvert nature, using it to foster deep and meaningful relationships with a few close friends.
5. Introverts may require more time to recharge after social interactions compared to their extroverted counterparts.
