

# JAKES

*Meaning: JAKES (noun): a slang term for a toilet or restroom, particularly in informal or rustic settings.*

1. After a long day, he retreated to the jakes for some much-needed privacy.
2. The old jakes at the campsite were surprisingly clean and well-maintained.
3. She grimaced as she noticed the jakes were out of toilet paper.
4. In the rural area, the jakes are often just a simple wooden structure behind the house.
5. He joked that the jakes were the best part of camping, as they provided a moment of solitude.
