

JAWN

Meaning: 'Jawn' is a versatile slang term, primarily used in Philadelphia, that refers to a person, place, or thing, often implying a casual or relaxed activity or item.

1. After a long day, we decided to jawn and relax at home instead of going out.
2. He always finds a way to jawn about the latest trends in fashion, captivating everyone around him.
3. The party was so dull that I could barely stay awake; it was a complete jawn.
4. When I heard her story, I couldn't help but jawn at how relatable her experiences were.
5. As soon as the lecture started, I could feel myself jawning, struggling to stay focused.
