

# JOBBER

*Meaning: A jobber is a person or business that buys goods in bulk and sells them in smaller quantities, often acting as an intermediary between suppliers and customers.*

1. The jobber arrived at the market early to secure the best deals on fresh produce.
2. In the construction industry, a jobber often acts as a middleman between suppliers and contractors.
3. Many jobbers specialize in particular products, allowing them to offer unique items to their clients.
4. The company's success can be attributed to the efficiency of its jobber in managing the supply chain.
5. With the rise of e-commerce, jobbers have adapted by creating online platforms to reach more customers.
